Professional Summery

- Skilled designer with experience with various printers as well as plot cutters, screen printing, and graphic and web design to go along with it.

Education

Bowling Green State University

Bowling Green, OH.

Visual Communication Technology

Bachelor of Science in Technology

- Majoring in Visual Communication Technology. I am currently attending Bowling Green State University to receive an education in Visual Communication with a focus on Interactive Media and Print. In addition to my major I also plan to minor in Recording Technology with an emphasis in Business. When I graduate in 2016 I will receive a Bachelor of Science in Technology degree. With my education I plan to create my own business in the Music Industry by opening a recording studio.

Experience

Off Contact Productions

Toledo, OH.

Print Technician

January 2016 - Present

- As the print technician, I am responsible for looking over every work order and making sure dimentions and media are correct depending on the application of said artwork. It is also my responsibility to maintain and clean all of the large format presses. I have a set of daily and monthly cleaning regiments and I also replace any worn or broken parts in order to keep the presses running at their highest quality.

Collegiate Connection

Bowling Green, OH.

Graphic Design & Production Assistant

January 2014 - December 2015

- Use Cadworks and Adobe Illustrator to Create and Cut thermoflex vinyl for orders that are to the customers customized specifications. Vinyl and Sign Vinyl are two of the main items that are cut and pressed onto the products sold. I am also one of two screen printers on site. Along with graphic design I am responsible for customer service and taking custom orders from clients.
